

TEMPEST Universal Power Supply Filter

Description:

High attenuation single power line filter according to SDIP 29 equipped with three impact resistant sockets with lids (CEE 7/4) and a 1.8 m power cord with a country specific male connector for wall outlets in a robust metal housing.

Intended operation/area of application:

This triple socket outlet is intended to be used for SDIP 27 IT-equipment in appropriate office NATO Zone environment according to the SDIP-rules.

This product serves only as an accessory for the supply and distribution of electrical energy for information technology systems.

Envisaged deployment locations are offices as well as dry and covered technical rooms.

This product may be combined and operated only with IT-systems.

Safety information:

The product may be used only within the limits of the specified technical data! The product must not come into contact with water, aggressive or flammable gases and vapours! A serial connection of outlet strips is not permitted!

TEMPEST Universal Power Supply Filter

Technical data:

Electrical:

Operating voltage:	Suitable for all country specific voltages, e.g. 110 VAC, 230 VAC
Maximum operating voltage:	250 VAC, 50/ 60 Hz
Rated current:	6 A @ 40°C max. max. 660 W / 110 V max. 1380 W / 230 V
Leakage current:	0.44 mA @ 230 VAC, 50 Hz
Protection:	Class 1 according to IEC/EN 61140 (Protective earth)

Physical:

Dimensions:	380 mm x 100 mm x 60 mm
Weight:	2.9 kg

Environmental:

Temperature:	-25°C to +70°C / -13°F to 158°F (storage) -25°C to +40°C / -13°F to 104°F (operating)
Humidity:	5% to 95% RH (operating, non-condensing)

Compliance:

Filter:	IEC/EN 60939, UL 1283

TEMPEST Universal Power Supply Filter

Declaration of Conformity

GBS TEMPEST & Service GmbH
von-Braun-Straße 6
49356 Diepholz - Germany

declares under our sole responsibility that the product:

TEMPEST Universal Power Supply Filter
GTIN: 4260288070041

Conforms with the provisions of the following Directives, including all amendments,
and with national legislation implementing these directives:

Low Voltage Directive 2014/35/EU
Restriction of Hazardous Substances Directive (RoHS) 2011/65/EU

The following harmonized standards were applied:

Standards	Edition <i>Title</i>
EN 60950-1: 2006	A11:2009 + A1:2010 + A2:2013 <i>Information technology equipment - Safety - Part 1: General requirements</i>
IEC 60939-2	2: 2005-02 <i>Passive filter units for electromagnetic interference suppression</i>
UL 1283	6: 2015-02 <i>Electromagnetic Interference Filters</i>
CSA C22.2 No. 8	5: 2013 <i>Electromagnetic Interference (EMI) Filters</i>

This product carries the CE Mark, which was first affixed in 2017

TEMPEST Universal Power Supply Filter

Warranty Conditions:

The warranty period is 12 months and begins with the delivery. During the warranty period, the defective items will be repaired or replaced at the manufacturer's expense. Work carried out under the warranty neither extends the warranty period nor starts a new warranty period. The manufacturer reserves the right to void any warranty claim for damages or defects due to misuse, abuse or external impact (falling down, impact, ingress of water, dust, contamination or break).

Waste disposal:

Do not deposit this equipment with the household waste. Improper disposal can harm both the environment and human health. For Information about waste collection facilities for used electrical and electronic devices, please contact your city council or an authorized company for the disposal of electrical and electronic equipment.
